The Curate's Letter

How often do we pray? Jesus spoke on many subjects during His ministry but He talked a lot about much. Not only did He talk about prayer, He also prayed a lot. Prayer was a priority as it meant that He was talking to His Father. Where does prayer fit into our lives?

There were two young brothers, John and James, they always loved staying overnight with their grandparents, as children often do. They had a fantastic day with grandma and grandad and just before bedtime the two of them sat together on their bed to say their prayers. Ten year old John prayed, "Lord God please look after mum and dad and keep us all safe tonight. Amen." Short and to the point.

Then seven year old James bellowed at the top of his voice, "Dear God, please let me get a Bart Simpson T-shirt for my birthday."

"You don't have to shout," said John. "God isn't deaf." "I know," whispered James, "But grandad is." Prayer is the easiest and

at the same time the most difficult activity human beings can ever engage in, and, as that amusing little story illustrates, it is so easily abused if we don't get it clear in our minds just what it is we are doing and who it is we are supposed to be praying to.

The Christian writer, Dallas Willard, describes prayer in this straight forward way; prayer he says is 'Talking to God about what we are doing together'. We ask for things that both we and God are interested in, and since He is interested in everything, the scope regarding what we pray is very broad indeed.

So often we pray for our needs and burdens but how much time do we really spend praying for others and giving thanks to God?

CHURCH LADS'/CHURCH GIRLS' BRIGADE ANNUAL SERVICE

On 13th March it was our pleasure to welcome over 250 boys and girls of all ages from all over the province to the Church Lads' and Church Girls' Brigade Annual Service at St Patrick's. The service was led by Rev Iain and Very Rev Dean Robert Townley. There was lusty singing and a drama was performed by the boys under the guidance of the CLB's two development workers, Matthew and Victoria. Iain was presented with a certificate to recognize his appointment as Chaplain to the CLB. There were two parades and industrial quantities of hot dogs (produced as ever by the catering team under the care of Liz Hughes) were performed in the halls afterwards.

If any parents are interested in sending their sons or daughters to the Church Lads'/Church Girls' Brigade, perhaps they could speak to Alan or Iain.

CATERING

The time has come when I feel unable to continue in my present role as catering coordinator in the parish and I intend to retire from this position at the end of June this year. I will, however, be happy to continue to some extent by helping at events and supplying tray bakes etc when necessary.

There must be some younger energetic person/s with fresh ideas in the parish who could take over. A list of very competent, helpful and friendly people prepared to help is already in place and I am quite sure they will continue to do so.

The Catering Committee raised £4,500 towards church funds during 2015 so anyone willing to fulfil the role would indeed be doing a very valuable and worthwhile job. Please give some serious consideration to this and let one of the clergy know if you are interested. I can also be contacted for further information as to what is involved. (Tel: 028 2564 3088).

Secretary's Notes

There is not a great deal to let you all know about this month. The tender documents for the work on the rectory have been drawn up and four local builders have been invited to submit their tenders. They have until the end of March to do so, and at the time of writing we are waiting for their responses. The McConnell family have seen the rectory and it is good that we can get their views and input as to how they would envisage using certain rooms and what they would like to see in their family home. Since we hope that they will be able to move to Ballymena in May and we now know that Mark will be installed as rector on 1st June we will have to look for another house to rent for them to live in while the work is being carried out to the rectory itself, since on our most optimistic time-table the work there might well take until the end of the summer to complete.

In the meanwhile spring is arriving once again and everything is starting to grow, so if anyone can spare some time and effort to help keep the Rectory grounds in order such help would be very gratefully received. On the same score another few hands to help out at Ballyclug would also be welcomed.

Looking beyond the renovations to the rectory our next problem would appear to be further damp in St Patrick's, that can be seen on the walls in several places at the top of the nave and in the cloister and choir robing room. At the moment these problems are still under investigation and no detailed plan of action has been produced to remedy them. To an extent we will have to wait and see what our available finances will be once the rectory project has been completed.

One thing which has had to be changed, for the time being at least, is that the church in Castle Street will no longer be left open as a matter of course during the day, except for an hour or so around one o'clock to allow the prayer time to continue. Sadly there have been one or two

unwelcome incidents lately which led the Select Vestry to think it wiser to keep the doors closed when the church is unattended, sad though that is.

The next issue of the magazine will be available after the Easter General Vestry is held. I hope to see as many of you as possible at that meeting on the 5th April. It is important that you all get the chance to make your decision on the Select Vestry persons for next year, so I hope you added your name to the General Vestry list if it wasn't already on it. Bear in mind this time round that those people will support our new rector as he settles in and make that process as smooth as we can for him, though I hope we'll all be doing that whether we're on the Select Vestry or not.

Happy Easter to all.

Alastair

Friday 22nd April at 7.30 pm

The Youth Club has been busy making lots of nice things for Mother's Day. We talked about how our mothers care for us and how we should tell them we love them. As well as telling them we love them we should show them we love them for example by doing things to help them.

We would love to hear from anyone willing to give up an hour or two on a Saturday night to help at Youth Club.

On Saturday 12th March Connor Diocese held a youth prayer event in our parish. The theme was prayer spaces in schools. Emma from 24/7 Prayer led the talk and then the young people had the opportunity to use prayer spaces for some creative prayers. We also had games, worship led by Kate and the band from Muckamore and ice cream sundaes and pizzas. It was great to see so many young people from across the Diocese coming together for fellowship.

After Easter the Sunday School will be starting the CMS Project 'The Meeting Place' based in Uganda.

Here is a letter from the CMS magazine on meeting places and global partners within CMS:-

Meeting places are important for our Global Partners, whether in the form of churches, cathedrals, clinics or colleges, or even in everyday encounters at the market or on the street. These places, these encounters, provide opportunities for love to be shared, for hope to be discovered, for help to be found, for new life to break through.

In Ireland, spring is a time for celebrating signs of new life and to embrace the transition from dark to light. It's a season of hope, renewal and promise. That's why Easter is so well suited to this time of year: darkness to light; death to life; despair to hope; old to new.

Sometimes, new life appears in the most unexpected places. Even in the driest, most remote and barren settings, you can find the beginnings of something new, something beautiful. That's certainly the story of the cross - that most significant of all meeting places, where true transformation and renewal emerge from abject pain, defeat and death. It's also the experience of so many of our Global Partners, as they help to bring about new life in hard places.

On returning from her recent visit to South Sudan, Jenny Smyth spoke of having been struck afresh of the witness and work of the Church in places of conflict and suffering.

"I stand astounded at the effect that ordinary local churches can have and are having; people living faithfully to Kingdom values, clinging on to the hope that we have in Christ and holding out the word of life to those around.

We are the weaker if we do not stand with them 'In the gaps' through prayer and giving. We have the privilege of witnessing God intervening in the dark, hard places of His beloved world, and of being re-inspired to be His hands and feet in our own communities too."

Energize will be held on Sunday 17th April in Ahoghill Parish 6.30 - 8 pm.

Equipped training will take place on Saturday 16th April in Antrim Parish Halls - seven Sunday School teachers and Iain will be attending.

Engage Connor Youth Diocese will be holding a sporting event in Ballymoney on Saturday 7th May - more details to follow.

5TH BALLYMENA (ST COLUMBA'S) SCOUTS

On Saturday 6th February 2016, Cubs, Scouts and Leaders from 5th Ballymena were invited to have a look around the Fire Department and behind the scenes at Belfast International Airport, as a continuation of the Cubs 100 celebrations. There were 26 people altogether; 11 Cubs, 8 Scouts (all formerly Cubs) and 7 leaders. Everyone had a wonderful time and thoroughly enjoyed it. The visit also helped the Cubs out with earning their air activities badge.

When we arrived at security, a car from the Fire Department escorted us to the station. Upon arrival, everyone piled out of the mini bus and the firemen gave us a quick briefing on some rules and regulations. We were split into groups and each group went on a tour of the station. To end the tour, we saw the massive fire engines and each person got to go on a drive in them. One Cub commented on how they looked different from the normal ones we see on a daily basis and how they looked almost futuristic.

After we had finished at the fire station, we got on the bus and went across to the airport where we were met by some staff and went to a boardroom where they tested us on some statistics about the airport. After winning some prizes, Burger King very kindly supplied food for everyone which was very much appreciated and thoroughly enjoyed. After scrumptious food, there were some special Cubs cupcakes for everyone, supplied by one of the staff. They were delicious and everyone appreciated them.

After full stomachs and happy kids, we were taken to the old Control Tower overlooking the terminal in the airport. There we got an amazing view of the runway and planes. Some more quick quizzes and then we

were off back downstairs where we were delighted and surprised to get to see a police car and van that they use there. All the kids (and big kids) were going crazy. The policemen did a kind of 'roleplay' where they cuffed a few of the kids and put them in the back of the van and locked them in like proper suspects. After some fun with that it was time for us to go home. With a fun filled day over and behind us, everyone was a little bit tired on the way back home on the bus. However, the kids still managed to find a way to get on the leaders' nerves.

We would like to say a big thank you to all the staff involved with the day, from the firemen, to the airport staff. They couldn't have been any nicer or more accommodating. Cubs, Scouts and leaders all enjoyed the day and we couldn't have asked for a better time, even the rainy day couldn't dampen our spirits.

MOTHERS AND TODDLERS GROUP

Apart from the usual Easter party and activities last month, we had a visit from Radio Cracker representatives who brought some craft items for sale. The group made a donation to Radio Cracker funds.

We send our best wishes to Jimmy Tuff for his continued recovery.

It was with great sadness that we learned that our catering helper, Nell McIlwee, had passed away. We send our sympathy to Nell's family and friends.

SQUIRRELS

The Squirrels have been having lots of fun recently. We made pancakes for Pancake Day and Mothers Day cards for all our mums on Mothering Sunday. We also took part in our recent Youth Service/Founders Day. The Squirrels all stood up to say their Promise. Leaders and parents were all very proud of them.

We are hoping to have a Squirrel day out in April. We will all be heading to Crawfordsburn for the day. We will be meeting up with Squirrels from all over Northern Ireland to take part in Creepy Crawlies Day! This should be a fun day out for us all, we hope the weather will be kind.

We will soon be in our summer term, and hope to be able to go outdoors each Wednesday evening, either to the park or to do some backwoods cooking and games. The Squirrels welcome both boys and girls aged 4 - 6, so if there are any boys or girls who would like to come along to join in our fun, then just come along on a Wednesday evening or contact Paul or Ann.

Christian Aid Week 2016

More collectors urgently sought!

Christian Aid Week this year runs from 15th to 21st May. This year the week is slightly later in May than it has been but many of us will still enjoy getting together for the two special lunches, one in St Patrick's and one in St Columba's. Many parishioners will also support **Christian Aid** by giving generously in the envelopes in church. The money we give is vital to the work of **Christian Aid** as it seeks to eliminate poverty by assisting individuals in many parts of the world to develop small enterprises which help them to feed and educate their own families and to develop their communities. It will also enable **Christian Aid** to respond to the initial problems following natural disasters - and then to give follow-up assistance as well.

The money we have given through the lunches and envelopes over the years has been substantial but we, as a parish, have also been involved with door-to-door collections. We, like the other churches in the town, are allotted a particular area in which to collect. This collection is very important because it not only enables non-church-goers to contribute a considerable sum to **Christian Aid's** work but also shows our commitment and witness to a wider public.

Collecting for **Christian Aid** is a **whole parish effort** and the collectors enjoy working together in small groups and getting to know each other better as they go. Inevitably, over the years, some of the stalwarts of the group have had to drop out and some others have come along to take their place. However, we need to recruit some more collectors to relieve the burden on some of the existing helpers who have been taking on more and more to ensure that we continue to cover the area allotted to us.

Ballymena is a town known for its generosity - please be generous with your time as well as your money. Think about joining us in this valuable work and then give your name to one of the clergy or ring me on 2564 6701.

Can you help?

Lady held chained in tin hut for 10 years

Can YOU help?

Lady who was chained up and lived in a narrow tinned hut for 10 years. Rescued. Twenty three year old pregnant lady having lived rough for over two years. Rescued. Young 11 year old girl living alone in the streets. Rescued. Why were they rejected in their community? Why did they need help? Because they all had mental health problems.

In Nepal the majority of people having mental health problems go untreated, uncared for and often unnoticed. Last year the team who went out to Nepal worked in the KOSHISH'S House of Hope where such ladies can live in a secure environment with proper care and medical help.

The House of Hope is where women and girls abandoned in the streets due to physical and/or mental health problems can get proper treatment with both medication and psychological support. The Koshish charity embrace them and help restore their dignity through giving them proper medical help and skills to assist them rehabilitate into society. Where possible they will be able to return to their own family or community.

It is intended that a church group will again go to Nepal and help in this great work. More urgently we have had a request to help with the setting up of a second house, this time for men. The work on this has already started but funds are needed and we intend to send a donation before the end of the summer.

There will be three ways you can contribute in a practical way to this worthy cause.

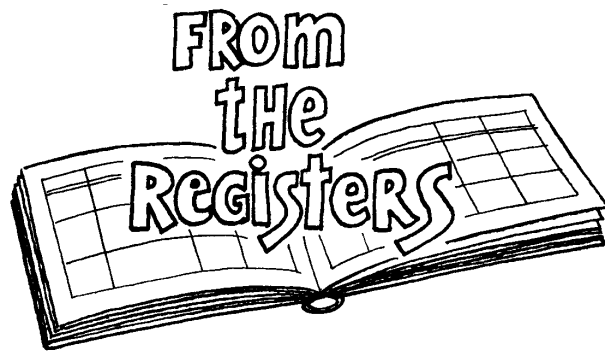

1. Attend the Big Parish Breakfast on **Saturday 7th May 9.30 am to 12.30 pm** - a light breakfast with tea/coffee or a full Irish fry-up. Donations will be accepted.
2. Take a KOSHISH box and fill it with loose change and return it to church wardens in any of our churches.
3. Take a fireside quiz - donation one pound.

All donations will go to the Koshish Charity Fund. But even more important please pray for the work of Koshish. If you want more information speak to any of the Mission Team Ann Todd, Cheryl Sinclair, Debbie Chestnutt, Ian McKay, Nicola Burnett, or myself St Clair Beatty. THANK YOU IN ANTICIPATION.

Ellen (Nell) McIlwee

Nell was one of six sisters Dorothy, Tilly, Mary, Annie and Sadie. Sadly Dorothy, Tilly and Mary died very young. Nell, Annie and Sadie became very close and went everywhere together. Nell was raised by her mother Dora in Rock View, Broughshane Street. Nell's first job was in Ballymena Spinning Mill. She loved going dancing and she met Paddy in the local Protestant Hall. Soon afterwards in 1955 they were married. They had one son, Clifford. For nearly 40 years Nell worked in Cameron's, a job which she loved as she enjoyed meeting people and talking to them. She loved her church at St Patrick's. Every Sunday without fail, Nell was there, she will be greatly missed by all at St Patrick's. Our thoughts and prayers are with her son Clifford.

Dorothy Atchison

Dorothy was married to Gerry for nearly 60 years. They had three children, Jill, Keith and David. Dorothy was very interested in and took

great pleasure in the various activities arranged by the church. Recently she received a certificate for being a member of the Mothers' Union for 53 years. Dorothy delivered the Parish Magazine for over 20 years and also visited the sick. She prepared flowers for the church and was a very keen member of the Embroidery Club. Dorothy believed in the importance of family life and was very proud of her family. We express our deepest and heartfelt sympathy to her husband Gerry, daughter Jill, sons Keith and David and all the family circle.
