## DANNY BOY AND DENNIS CHRISTIE?

What's the link - Limavady of course! We say farewell and God's Blessing to Dennis and the family as they move to Ahoghill and Portglenone. Dennis has been a great friend and co-worker for the gospel during his time with us in Ballymena speaking with wisdom into some of our vision plans for the Parish. He is like-minded with me in his love for the Lord and His Word and though sorry to see him go, delighted to have made and will keep, a brother and friend in the Lord. Alongside Jen they have made an enormous contribution to the life of the Parish over the past years. Men's Fellowship, Sunday Night Youth Fellowship (The Way), to name but a few examples. Already we are talking about ways in which the Church of Ireland churches in and around the town might come together to collaborate in ministry and celebrating our strong Christian faith and I am excited to see where God will lead us in this idea.

So Dennis - from the McConnell Clan and the Ballymena Church Family, thank you, God Bless you in your new ministry and my prayers and hopes under God for His rich blessing and guidance in your new ministry.

(P.S. - Thank you to all who make this Parish a training parish within Connor Diocese and the wider Church of Ireland. Given the days we live in and the pressures churches and families face, training parishes are rapidly reducing in number across our church. For years Ballymena has stood firm and generously provided a base from which the wider church is staffed and blessed. So thank you and dig deep and keep going).

## BALLYMENA FOODBANK

A recent letter of thanks from the Foodbank Co-ordinator:-

*Thank you so much for your very generous donation to Ballymena Foodbank.*

*We are delighted to let you know that in May 2019 your contribution amounted to 116.3 kg, which enabled us to bless 69 local people, 41 adults and 28 children in crisis with 3 days' worth of emergency food supplies.*

*As a community wide initiative the Foodbank could not fulfil its intended purpose without the support of people like yourselves and so we are extremely grateful for your very practical support. Please pass on our thanks to everyone who has donated.*

*We have been extremely busy over the month of February and have watched our stock levels drop very quickly on some of the essential items needed to provide a nutritional parcel. Can you please pass on the list below detailing the items we are short of:-*

*UHT milk, tinned meats, coffee, tinned fruit, tinned fish, mash potatoes, tinned potatoes, gravy granules, tinned vegetables, custard, rice pudding.*

*We have an excess of cereal, pasta, soup and beans at the minute and do not need any of these items.*

*God bless.*

**Janice Colgan**

*Please note collections in church suspended during July - resuming again in August as usual.*

# Famous Prayers

Who has not heard of Florence Nightingale - born to a wealthy life, she turned her back on a future of enforced leisure and luxury? Because nursing was all but closed to ladies in England in the early to mid 1800's she travelled and trained in several hospitals in Europe before returning home in 1853 to become superintendent of a London Hospital for 'Invalid Gentlewomen'.

Shortly after the Crimean War broke out and Florence became a hero and legend often working twenty hours a day in squalid conditions to care for injured troops. Forced home by a bout of fever she received many national and international honours including a brooch designed by Prince Albert and a poem written about her by Longfellow. A devout believer, here is one of her prayers.

## Where are you leading?

Oh God, you put into my heart this great desire to devote myself to the sick and sorrowful; I offer it to you. Do with it what is for your service. Oh my creator, are you leading every man of us to perfection? Or is this only a metaphysical idea for which there is no evidence? Is man only a constant repetition of himself? You know that through all these twenty horrible years I have been supported by the belief (I think I must believe it or I am sure I could not work) that I was working with you who were bringing every one of us, even our poor nurses, to perfection. O Lord, even now I am trying to snatch the management of your world from your hands. Too little have I looked for something higher and better than my own work - the work of supreme wisdom, which uses us whether we know it or not. **Amen.**

## MOTHERS AND TODDLERS

Many thanks to Natasha from St John Ambulance who came along in May and gave a very informative talk and demonstration on coping with infant choking.

We would like to thank everyone who has supported the group throughout the year; the mums, dads, grannies, grandas and child minders. Thanks also to the people from the different organisations who have given their time to visit our group and last but certainly not least, our volunteer helpers who come each week - we couldn't do it without you.

Best wishes to all the children who are moving on to Nursery School.

Charitable donations, since February, have been given to Radio Cracker, St John Ambulance and St Patrick's Church for heat and light (£400).

We pass on our thanks to Patricia for all her help every Tuesday, we will miss you.

**Mothers and Toddlers will resume Tuesday 10th September.**

A very busy few weeks for the Scouting sections at St Columba's!

The Beavers attended Beaver Rally Day at Crawfordsburn where they had great fun drumming, grass sledging, pond dipping and many more activities. Congrat-

ulations to our four Beavers who were presented with their Chief Scout Bronze Awards at Crawfordsburn by Steven Donaldson the Chief Commissioner for Northern Ireland.

Beavers were also out and about to the People's Park for a scavenger hunt and Currell's Avenue for a sausage sizzle. The year was rounded off with a water fun night at St Columba's!

The Cub's took part in a Chippy Hike with their friends from 7th Ballymena. They hiked round the town sampling and scoring chips purchased from each chip shop along the way! Next up was District Cub Camp at Shane's Castle where Cubs enjoyed a weekend of fun, games and adventure. They cooked cake in oranges, learnt how to light fires with a flint and steel, took part in orienteering, camp fire, pioneering and much much more! Congratulations to the four Cubs who were presented with their Chief Scout Silver Awards at Shane' Castle by Ciaran McGrath, the County Commissioner. There was also the BMX competition and canoeing before they met for a final BBQ and canoeing session at Movanager to finish up the year. Congratulations to 5th Ballymena Cubs who came first in the District Cub Pack of the Year Competition.

Scouts also had their District Camp at Shane's Castle where they took part in canoeing, camp fire, and had great fun at Escarmouche on the assault course and laser tag. There was also District surf kayaking at Portstewart Strand which they all enjoyed. They finished up the year with a BBQ and prize giving.

Congratulations to Ellie Hughes who received her Chief Scout Platinum Award from our District Commissioner, Steven Miller. We wish Ellie well over the summer as she prepares to head off to the Jamboree. We are all looking forward to hearing all about her trip when she returns.

So although we have officially finished up until September we still have events happening! Our Scouts are engaged in a cross community project with 7th Ballymena and will be having a weekend of activities and our big group Summer Camp is happening in July/August! This is a week long camp at Cladagh Glen and will involve Beavers, Cubs and Scouts. We are all looking forward to getting away and having some fun!

5th Ballymena Scout Group is a victim of its own success! Whilst it is amazing that we have grown our Scout Group to what it is today, this creates a problem.

Come September, Beavers, Cubs and Scouts will be running at capacity. Factors which influence capacity are the number of leaders available to run each night and the size of the meeting venue.

We have always subscribed heavily to the, 'sure it's only another one, what difference will one extra make' school of thought. But we can't continue to do so as we currently stand.

A waiting list has been suggested and although a fair way of doing things, it's not getting the young people scouting. While they are on the list they are waiting to Scout and missing out on all it has to offer.

So, what can we do? Or should we ask, what can you do to help us?

There are many ways to help. The most obvious one being to consider becoming an assistant leader or section helper. Get registered and Access NI checked over the summer, put on a 'necker' in September and join in the fun! Come along every week, come along every other week, come along once a month! We can create a rota so we always have the help coming it just varies. Don't want to help in a section where your child is help in another, just take your pick and you will be welcomed with open arms.

Another option is to help out for something specific. We also would love you to show our young people your skills. We have badges for so much and we would really appreciate it if you could volunteer to help out for a couple of weeks with what you are good at/know a bit about.

We are quite unique at 5th Ballymena as we have a lot of interaction between the sections. Leaders help out in whatever section help is needed at any time and we all get along very well. This is such a benefit to your child as they move up as their new leaders will be familiar to them.

So why volunteer? I personally do as my children have got so much from Scouting over the years that I feel I want to give something back. I believe in its values and want to help deliver it to the next generation. It gives our young people a great start in life and teaches them skills they would not find elsewhere. But the bottom line is its fun! We all enjoy it, have a laugh and we have a great bunch of children to work with. We also have a great, supportive bunch of parents!

Please have a think about how you could help and chat to us. We would love to see how you could help us in any way, no matter how small. Please remember that we are not asking for a massive commitment (although that would be super!) and you can leave at any time. But I know you will love getting involved as much as we do. Many thanks.

# New Curate

Hi folks, my name is Emma Carson and I am very excited to be joining you in Ballymena as Curate in September. Let me tell you a little about myself.

I've lived in many places in my life but I call Belfast home. I have been blessed with a wonderful family who taught me to love the Lord Jesus Christ. My Dad, a clergyman, and my mum, together in ministry, taught me to always be seeking to share the love of Christ. I have worshipped in many churches since I was a child but have worshipped in Willowfield Parish in East Belfast for several years.

Before beginning the journey to ordination I studied at Stranmillis University College, Belfast and at the University of Edinburgh. I worked as a Primary School teacher, teaching in various schools in both Belfast and Lisburn.

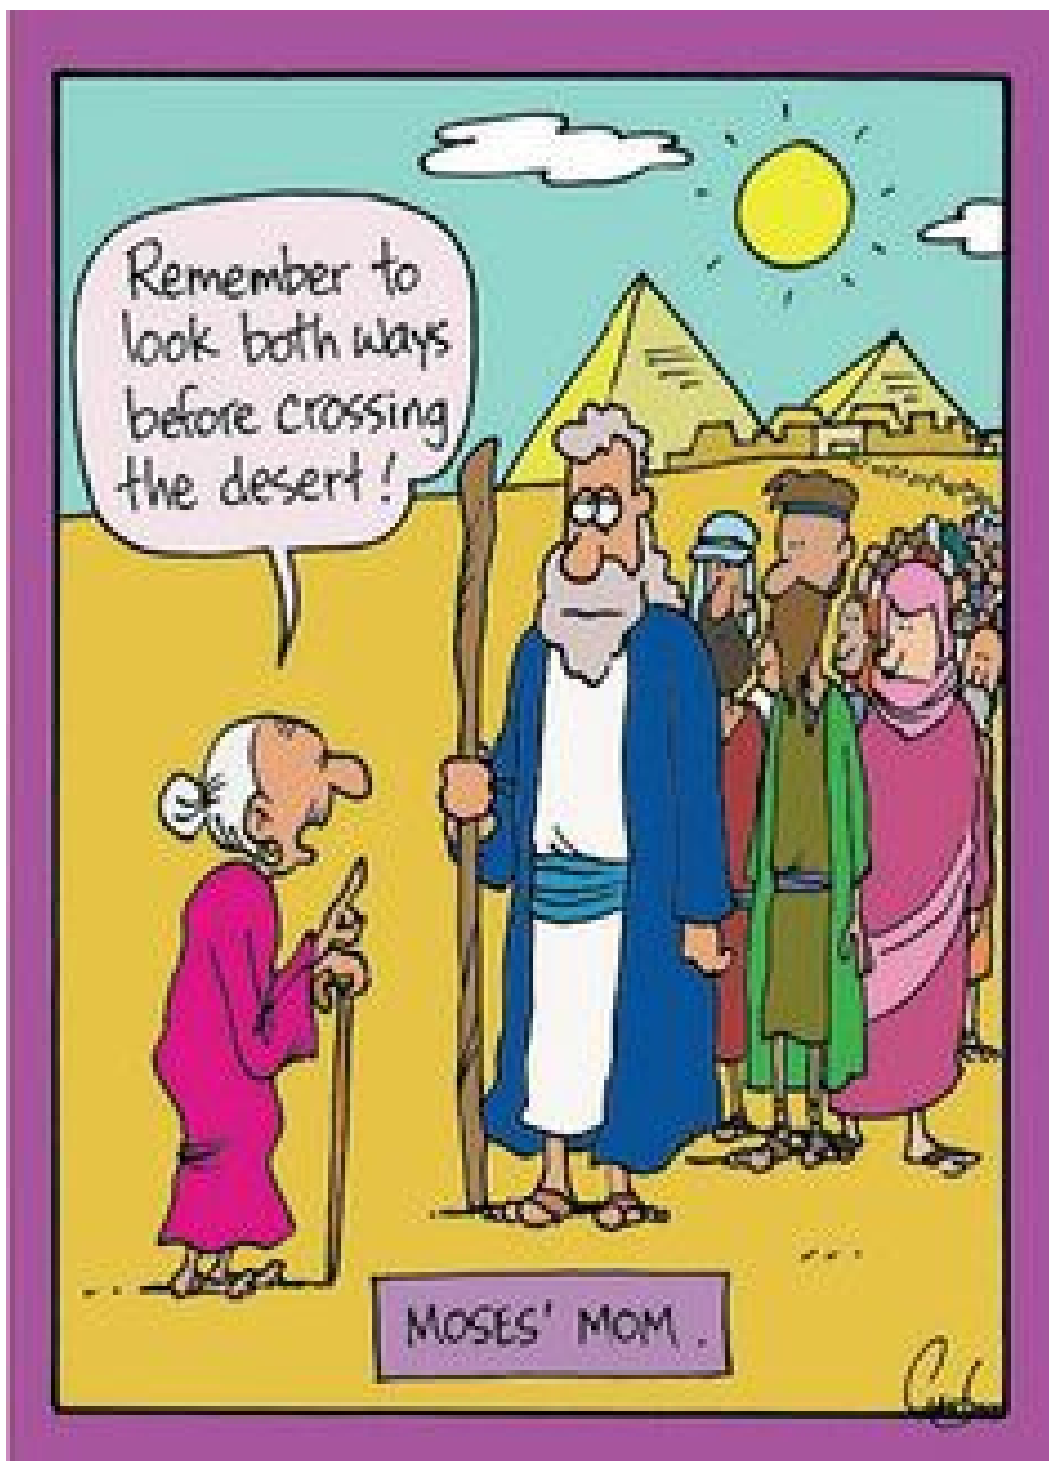

I first heard the whispers of a calling to ordained ministry in my early twenties. Through the support of friends, family, clergy and the parish, I started to explore the Lord's calling on my life. I began to pray for confirmation which I received through God's Word, through his Holy Spirit and through the support of my sponsoring Bishop, Rector and my DDO. Thus began the exciting journey that has led me here!

My heart is for the local Church. I'm passionate about seeing Church communities living out their Gospel commission - to proclaim the Good News, to challenge the injustices of this world, to make known God's Better Story for the world and to fully express the love of God.

As I write this I am just preparing to finish up my three years of training at the Church of Ireland Theological Institute. Over the past year I have been serving as Deacon Intern in Magheralin Parish in Down and Dromore Diocese. I have had a fabulous year with many new and exciting experiences. I am very much looking forward to starting my curacy in Ballymena in September and to seeing what God is going to do!

I look forward to having the opportunity to meet you all in person very soon.

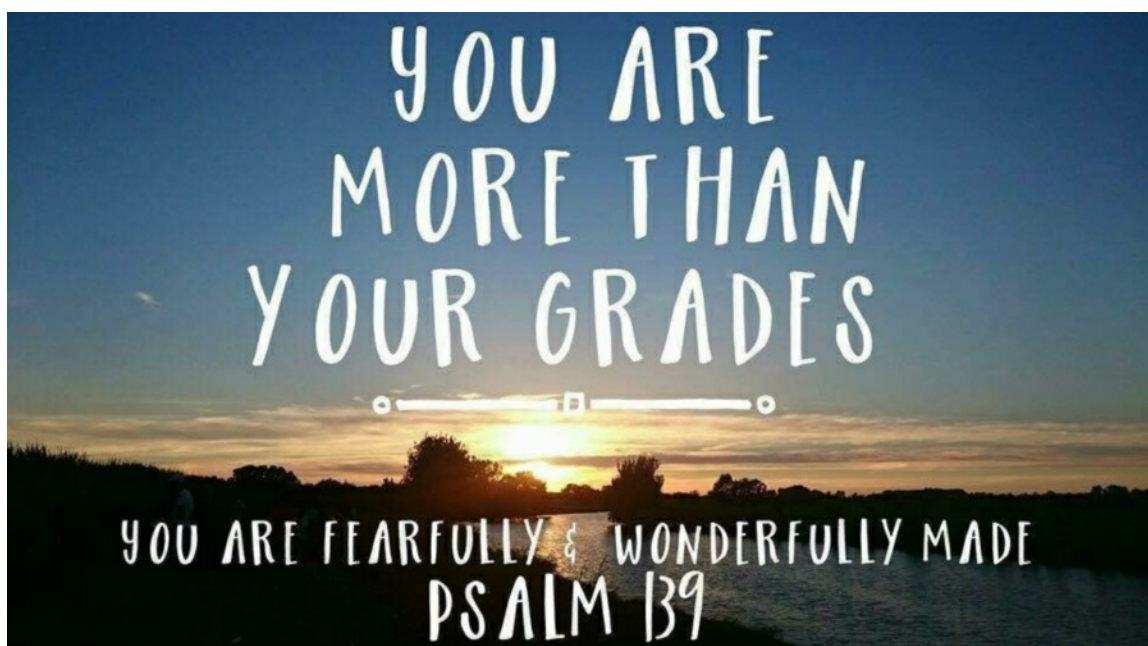

Yours in Christ,  
*Emma*

# A view from the pew

Where are they all now! Some of the Junior Choir having lunch at St Stephen's Green, Dublin, before going back to Christ Church Cathedral, Dublin to sing Choral Evensong. What a weekend that was ...

In June we had our annual leaders' night out to thank everyone for all their hard work over the year.

Our Children's Week 'Emojis' was a great success. Over 40 young people attended each night to learn about our emotions and how to cope with our feelings face to face with Jesus. Through this we learned that God's love is the best love that the world will ever know.

Day 1 was '*sadness*'. We learned how God was sad that there was so much sin in the world. He wanted to get rid of sin so he sent a flood. Noah and his family and two of each animal went onto the ark and were saved.

Day 2 was '*scared*'. Moses led the scared Israelites through the Red Sea so they could walk through and be safe. Moses showed us that God is always faithful and says what he is going to do.

Day 3 was '*shy*'. We looked at the story of David and Goliath and how David was only a small shy boy and Goliath was a giant and how God can use anyone no matter how small or shy they are.

Day 4 was '**worried**'. Through the week we looked at being worried and had a worry box that we used. Being worried reminded us of Daniel in the lions den and how God was faithful to Daniel because he had been faithful to God and how we should stand up for what we believe in.

Day 5 was '**happiness and love**'. We looked at the memory verse - *For God so loved the world that he gave his one and only son that whoever believes in him shall not perish but have everlasting life*. This made us so happy to know that God's love is the best love that the world will ever know.

On Saturday 22nd June we had our Family Fun Night. We were glad the weather stayed dry and it was great to see so many people there. Thanks to everyone who helped to make it such a great night. Special thanks to William Allen Meats for the sausages and Bobby Cotter for the rolls.

Thanks to Rascals Bouncy Castles, Pathway Adventure Activities, Smudges Face Painting and Victoria Jackson from CLCGB.

On Sunday 23rd June we had our finale of 'Emojis' at the Children's Day Service. The children sang their songs from the week and received their Sunday School prizes and awards. A cheque for £1,905 was presented to Jen Christie for the CMSI project 'Outside In'. Jen, Dennis, Abby, David and Jono were thanked on behalf of all the young people and leaders for all that they have brought to this parish and we wished them God's blessing in their new parish of Ahoghill and Portglenone.

The following awards were presented:

- Minnie McAuley Cup for best overall in the Junior Sunday School - **Breagh Hamill**
- Magee Cup for runner up in the Junior Sunday School - **Lexi McPeak**
- McKervill Cup for best overall in the Senior Sunday School - **Catelyn Wilson**
- Stewart Dixon Memorial Cup for runner up in the Senior Sunday School - **Joshua Livingstone**
- Robert Adair Cup for best overall in Fusion - **Caragh Hamill and Naomi Nevin**
- Youth Shield for best overall youth - **Aiden Hoey**
- Lauren Minford Memorial Cup for attendance at Sunday school and Church - **Euan Hamill**
- Darren Rodgers Memorial Cup for newcomer this year to Sunday School and Youth Club and also young helper at Children's Week - **Rorie Ferguson**

Thank you to everyone who helped with Children's Week and the Fun Night. Thanks also to all our leaders and Sunday School teachers for their commitment throughout the year. If anyone is willing to help with the Summer Scheme please contact Lucy

Children's Church will take place every Sunday throughout the summer months during the 11.30 am service. This is when the children have their own time in the hall for arts/crafts, stories, singing, snacks and games.

Well done to those from the Youth Club who participated in the 'Darkness to Light' walk. A cheque for £400 was presented to Turning Point NI from sponsorship for the walk.

Youth Club starts again on Saturday **7th September** from 7 - 8 pm for Juniors (primary school age) 50 pence and 8 - 10 pm for seniors (secondary school age) £1. Anyone wanting to become a member must bring their parents/guardians/carers on the first night to register. Sunday School will start again on **1st September**. We would love to see anyone from 4 years of age.

Anyone willing to help with any organisations, Sunday School or Youth Club, or anyone wanting to complete Duke of Edinburgh or any volunteer work please speak to Lucy or Alan.

# Christian Aid Week 2019

Once again the parish has come up trumps! A big thank you is due to everyone who played any part in our somewhat extended **Christian Aid Week** this year.

Many of you gave generously by putting money in envelopes on the church plate. Others supported the two culinary events - either by going to the soup, cheese and roll lunch at St Columba's or by nipping in for a bacon butty between the two morning services at St Patrick's. Let's not forget that neither of these events would have happened without a few efficient people being ready to prepare soup, to cook bacon or to set tables - so many thanks to those willing workers. A very special thank you goes to Allen Meats who donated the bacon for the butties. The envelopes on the church plates brought in £1265.32 and the eating events together raised £553.01.

Thanks must also go to the stalwart few who are still willing to go out and collect door-to-door in the area allotted to our parish. Sometimes it seems a thankless task but we need to remember that this collection reaches people who are willing to give money to **Christian Aid** but don't themselves go to church. This year we raised £686.44 from the door-to-door collection; £686.44 that would not be there for **Christian Aid**'s work without our small but willing band of collectors.

Further thanks go to Angela and Jim who made sure that all the distinctive red envelopes were kept carefully together and to Colin, Peter and Irene for collecting the batches of envelopes and helping to count the donations - large and small alike.

All together we are passing on more than £2504.77 to **Christian Aid** as a result of our efforts in that special week this year. It is more than the

amount collected and lodged because a substantial number of the donations were Gift Aided.

We are always ready to think about new ways of enhancing the way we mark and celebrate the work of **Christian Aid** during the special week in May. If you have any brainwaves about how we could raise even more money to **Assist Individuals to Develop** their communities through **Christian Aid**'s work with its partners across the globe, do please let us know. The more we raise, the greater the impact on the lives of those in need.

## CHRISTIAN BURIAL

28th May	Joan Gillespie	43 Castle Street, Ballymena
5th June	Jean Scullion	Rose Martha Nursing Home, Ballymena
7th June	Emma Balmer	14 Main Avenue, Cullybackey
14th June	Hazel Telford	12 Kintyre Park, Ballymena

### Joan Gillespie

Joan was born on the 28th May 1937 in Ballymena, the youngest of three children to John and Mary Cathcart. She was born, raised and lived all her life in 43 Castle Street just a few feet away from St Patrick's Church. Joan married Don Gillespie in 1959 in St Patrick's and they were blessed with two children Billy and David. Don and Joan had a happy marriage, they were inseparable as a couple and they were affectionately known about the town as 'Darby and Joan'. Much of Joan's family life was closely connected with the Fire Station which was adjoined to their home and for which her husband, her brother Jim and her son David, all worked. Joan was a committed and popular member of the St Patrick's Church community. She will be sorely missed by her close family and our prayers and sympathies are with them at this difficult time.

### Jean Scullion

Jean was born in February 1928 in Conor, one of five children in the Little family. Jean married Brian Scullion, an electrician from Ballymena, and

they were blessed with five children Carole, Jeanette, Brenda, Valerie, and David. Jean enjoyed spending time with her children and extended family and took great joy in spoiling her grandchildren. Jean will be sorely missed by her close family and our prayers and sympathies are with them at this difficult time.

### **Emma Louise Margaret Ethel Balmer**

Emma was born on 20th March 1987 but unfortunately she died of cancer when she was only 32 years of age. She loved her home and her family and it is with great sadness that we extend to them all our sincere sympathy at this time.

### **Hazel Elizabeth Telford**

Hazel was born on 5th October 1941. Her first home was in Princes Street and from there she went to Guy's School and then to the Model School. She didn't really appreciate school and she wanted to start working. She worked for a short time in Gallahers and G. B. Britton and Sons and then went to the job that she really enjoyed where she was an employee in O'Kane's Record shop. Hazel loved meeting people in the shop and it was here that she met her future husband Billy Telford. After they got married in St Patrick's Parish Church they set up home together in another house in Princes Street. Hazel enjoyed looking after her husband and their two daughters Kathleen and Donna. She was happiest being at the centre of the family gatherings and she really enjoyed their holidays together. Hazel, Billy and the girls then moved to a new house in Kintyre Park and it was here sadly that her husband Billy passed away. This was a really tragic time for Hazel as she missed Billy very much but she was an independent woman and did not complain conferring all of her attention to her growing family circle. Unfortunately Hazel was later diagnosed with cancer but she bore her illness with great dignity. We would extend to her daughters, son-in-laws, sister, brother-in-law, grandchildren and great grandchildren our sincere sympathy at this very sad time.
