## Changes for Autumn

Promoted by elements of our New 5 Year Plan. We are prayerfully introducing some changes to our monthly array of worship (see September list for full details).

**Fridays - St Patrick's at 6.30 pm. "Time for God".** In modern life, Sundays can be very busy! If you are working or unable to attend on Sunday - Then this is for you! A quiet service of reflection and prayer before a busy weekend begins.

**Two New Life Services** per month in St Patrick's Church Hall. Balanced by two **traditional evening services** on the same day. We have been encouraged by the numbers of families starting to return to worship and this is their favourite. The Hall with its excellent technology and flexible setting is perfect for these **All Age Services**. We hope to keep these where possible to the second and fourth Sundays or each month. We realise too that these services are not for everyone so will be matched by **traditional evening services** at 6.30 pm each **New Life Service Sunday**.

Our old friend (**Autumn Sing**) will return in October as will monthly **Bible Study** (watch this space for details in the weeks to come). Meanwhile, do please come and play your part in the worshiping life of our Parish.
